

REMARKS

Claims 17 and 26 have been amended in order to incorporate the substance of allowed claims 18 and 27, and dependent claims 18 and 27 have been canceled.

It would appear that this amendment places all of the claims in the application in condition for allowance, and such action is respectfully solicited.

It is noted that the present action is under final rejection, accordingly, a prompt Notice of Allowability is respectfully requested.

Respectfully submitted,

Franciscus Roffelsen
